

We, at St Mary's in Twickenham, have worked with Team V Sport, led by Amit, for a number of years. Team V provide high quality club provision for us, such as football, cricket, multi sports and boxercise; they are really popular with our children and parents. In addition, Team V provide expert coaching for our teachers. They work closely with staff to develop their expertise in delivering the PE curriculum – Team V's impact was even noted in our Outstanding graded Ofsted inspection. I would highly recommend their service to any provider.
